## **P**astoral Thoughts

**Happy Easter Brothers and Sisters,**

*Today the Lord is risen, and we will celebrate it through our liturgy, hymns and how we act to one another. The answer has been given to us – that there is something better to look forward to, an eternity in Heaven with our Savior.*

*We have experienced the Triduum (Holy Thursday, Good Friday, and Easter Sunday) and listened to the suffering words of the passion and sacrifice, only to be finally lifted with the joyous Resurrection.*

*He has proven to us that His words are true, and that we only need to follow His teachings. We have been shown how twelve flawed disciples became apostles and how they would transform the world according to Christ's teachings.*

*Our Lord and Savior asks so little from us – only, to be kind, compassionate, merciful, and loving. To be the friend we would all want to have, if we could just put envy, pride, and greed behind us.*

*Today, we unite with all Christians around the world not just Catholics, in thanking Christ our Lord and Savior for the Graces He bestows on us and the hope of a better tomorrow.*

*Today, my sisters and brothers, enjoy the blessings you have (family, friends, co-workers, etc....) and work to ensure that they too can see Christ in you as you live your life.*

Happy Easter,  
~Dcn Tyrone

*Regardless of where you are from, your occupation, your family, your marital status, your personal history, your age, your background, your race, your ethnicity, your political affiliation, your religion, your gender, or your gender identification, we are happy you are here with us today to worship! We invite you to learn more about our parish and its activities by contacting our office, website or simply by mingling with our parishioners after mass.*
